

# Programme

## Monday, 29<sup>th</sup> May 2017

### Open Day - Presentations

**13:30 - 13:50 Registration**

13:50 - 14:00 GIC Geoscience Information Consortium – OpenDay, welcome and overview - *P. Seifert*

14:00 - 14:30 1G OneGeology – *F. Robida (BRGM, French Geological Survey)*

14:30 - 15:00 Information Systems for geological data - overview of different practices in Europe  
– *M. Brentini, S. Favre (University of Geneva)*

15:00 - 15:30 GIS for GeoSciences - Data in the cloud/big data, 3D modelling (web) visualization,  
UAV data/PHODAR/VIDEO – *G. Dörffel (SynerGIS GmbH)*

**15:30 - 16:00 Coffee break**

16:00 - 16:30 CGI Commission for the Management and Application of Geoscience Information  
– *F. Robida (BRGM French Geological Survey), O. Raymond (GA Geoscience Australia)*

16:30 - 17:00 Linking Data to Knowledge - Using Semantic Web Standards for Agile Data Management  
– *A. Blumauer (CEO, Semantic Web Company)*

17:00 - 17:30 INSPIRE Code lists – Austrian extension use case for lithology  
– *Ch. Schubert (CCCA Climate Change Centre AUSTRIA)*

**18:00 - 20:00 Icebreaker at the "GBA Steintisch"**

## Tuesday, 30<sup>th</sup> May 2017

### Internal Conference – Day 1

**09:15 - 09:30**    **Opening of the GIC internal conference**

09:30 - 09:40    Logistics, etc. – *U. Strauß, M. Schiegl*

09:40 - 11:00    National Reports (10min each AUS-DK, China 20min)

**11:00 - 11:30**    **Coffee break (Library)**

11:30 - 13:00    National Reports (10min each SF-NZ, NZ 20min)

**13:00 - 14:00**    **Lunch break**

14:00 - 15:20    National Reports (10min each N-UK)

15:20 - 15:40    Discussion and questions regarding the National Reports

15:40 - 16:00    Nordic-GIC, CE-GIC Report - *A. Kahra, J. Sinigoj*

**16:00 - 16:20**    **Coffee break**

16:20 - 16:50    Summary of Answers to the questionnaire - *J. Tulstrup*

16:50 - 17:10    Discussion and planning of break-out sessions

17:10 - 18:10    Steering Committee meeting

## Wednesday, 31<sup>st</sup> May 2017

### Internal Conference – Day 2

**09:00 - 09:10** Today's program

09:10 - 09:35 Geophysics data and tools at the GBA - *E. Winkler (GBA)*

09:35 - 10:00 Viewer for 3D-Models - *C. Porpaczy, A. Kaimbacher (GBA)*

10:00 - 10:25 Geological Map Heritage - *Š. Káčer (ŠGÚDŠ)*

10:25 - 10:50 A new resource catalogue - *M. Sanabria Pabon, J. Hernández Manchado (IGME)*

**10:50 - 11:15** Coffee break

11:15 - 11:40 eGeology - Increasing the availability and accessibility of geological data in Slovenia - *J. Sinigoj (GeoZS)*

11:40 - 12:05 A Linked Data Example for Geoscientific Data and Metadata NetCDF4-HDF5 for geophysics - *C. Kemp (GA)*

12:05 - 12:30 Opening PGI geological data – semantic web - *T. Nałęcz (PGI)*

12:30 - 13:00 GIC business - *J. Tulstrup*

**13:00 - 14:00** Lunch break

14:00 - 15:30 2 discussion groups (e.g. 3D Modelling / New Technologies)

**15:30 - 15:50** Coffee break

15:50 - 16:50 results/presentation of discussion groups

---

18:30 - 19:45 (optional) City walk from GBA – *Ch. Hörfarter*, but (obligatory!) Conference photo at 19:45

**19:45** Conference Dinner at Restaurant "Johann" <http://www.restaurantjohann.at/en/>  
walk from GBA <http://bit.ly/2pJzvEP>

## Thursday, 1<sup>st</sup> June 2017

### Internal Conference – Day 3

**09:00 - 09:10** Today's program

09:10 - 09:35 EGD, GeoERA and how it fits into the bigger picture. An update - *J. Tulstrup (GEUS)*

09:35 - 10:00 Open Geoscience – data and publication - *A. Lavolette (NRCan)*

10:00 - 10:25 AusGIN – the Australian Geoscience Information Network - *O. Raymond (GA)*

**10:25 - 10:45** Coffee break

10:45 - 11:10 The Greenland Mineral Resources Portal - *M. Pedersen (GEUS)*

11:10 - 11:35 Enabling Geoscience Australia's Science Principles with good Information Management  
- *C. Kemp (GA)*

11:35 - 12:00 Solutions to ensure more efficient digital data donation to a Geological Survey  
- *G. Baker (BGS)*

12:00 - 13:00 2 discussion groups (e.g. Data Strategy / Management) part 1

**13:00 - 14:00** Lunch break

14:00 - 14:30 2 discussion groups (e.g. Data Strategy / Management) part2

14:30 - 15:30 results/presentation of discussion groups

**15:30 - 15:50** Coffee break

15:50 - 16:20 any other business, closing the conference - *J. Tulstrup*

## Friday, 2<sup>nd</sup> June 2017

### Field Trip

**07:45** Meet in front of the GBA (V. Haider, M. Schiegl)

08:00 - Departure by bus - please be in time!

Arrival at railway station Pernitz – change of bus (+ U. Strauß)

09:30 - Arrival at Conrad Observatory (Trafelberg, 50km south of Vienna)

Visit of the Conrad Observatory [https://en.wikipedia.org/wiki/Conrad\\_Observatory](https://en.wikipedia.org/wiki/Conrad_Observatory)

Departure to railway station Pernitz

Arrival at railway station Pernitz – change of bus

Departure to Rax Ropeway via Gutenstein, Klostertal continuing to the Höllental

14:10 - Arrival at Rax Ropeway base station <https://www.raxalpe.com/en>

Uphill by ropeway (~10min, 1600m above sealevel)

2 and a half hours' time for a hike at the Rax plateau to the Ottohaus and/or the Höllental Aussicht

At the Rax Alp Mountain Inn at the top station or the Ottohaus we have time for a coffee, drink and snack

17:00 - Meet at the top stations - downhill by ropeway - please be in time!

Departure to Gumpoldskirchen

18:00 - Arrival in Gumpoldskirchen at Heuriger Spaetrot <http://www.heuriger-spaetrot.com/>

Those who want to continue to Vienna and do not want to stay at the Heurigen can return to GBA by our bus. Those who wish to stay at the Heurigen can return by train to Vienna (train station is approx. 700m away)

For the hike at the Rax plateau we strongly recommend proper clothes suiting the season, hiking boots or strong walking shoes (with ankle support), waterproof rain jacket/rain coat, windproof fleece jacket/sweater. The hike is easy and physically not demanding, but it can be windy, and a sudden change of weather is always possible.

The excursion fare will be **€ 85,00**. This includes bus transfers, Rax ropeway ticket and a lunchbox
